

Procedimento para alteração da primeira senha do aparelho J139

1- Acessar o link abaixo:

<https://spvdf1031.anac.gov.br/selfprovisioning/>

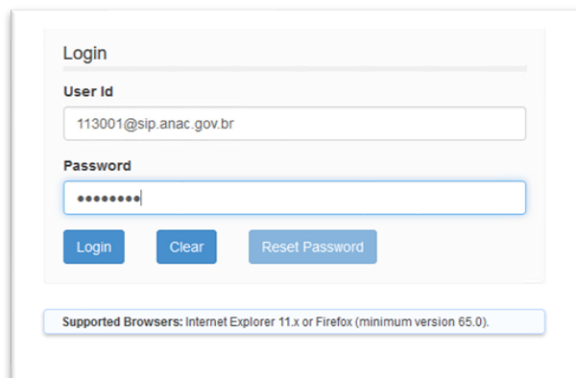

The screenshot shows a web browser window with the URL <https://spvdf1031.anac.gov.br/selfprovisioning/>. The page features the Avaya logo at the top left. Below the logo is a "Login" section with two input fields: "User Id" containing "113070@sip.anac.gov.br" and "Password" containing "*****". There are three buttons: "Login", "Clear", and "Reset Password". Below the login section is a note: "Supported Browsers: Internet Explorer 11.x or Firefox (minimum version 65.0)". To the right of the login section is a "Legal Notice" section with the following text: "This system is restricted solely to authorized users for legitimate business purposes only. The actual or attempted unauthorized access, use, or modification of this system is strictly prohibited. Unauthorized users are subject to company disciplinary procedures and or criminal and civil penalties under state, federal, or other applicable domestic and foreign laws. The use of this system may be monitored and recorded for administrative and security reasons. Anyone accessing this system expressly consents to such monitoring and recording, and is advised that if it reveals possible evidence of criminal activity, the evidence of such activity may be provided to law enforcement officials. All users must comply with all corporate instructions regarding the protection of information assets."

2- Inserir as informações do User Id no formato - ramal@sip.anac.gov.br

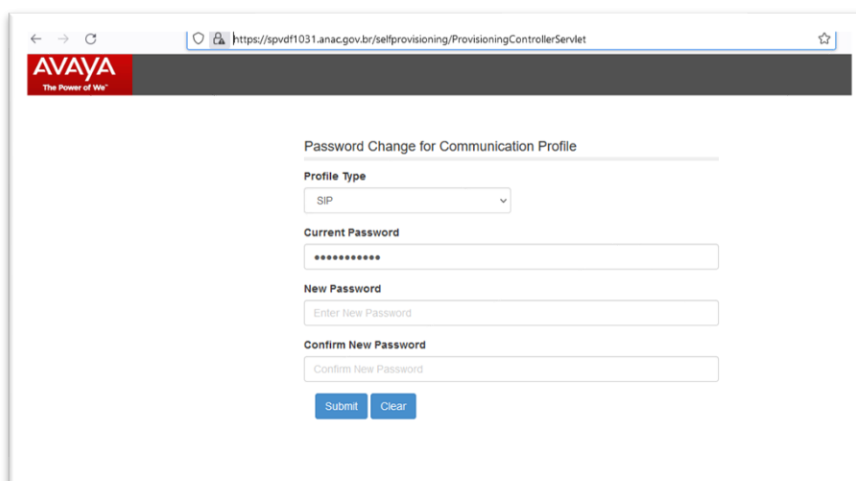

Exemplo: 113070@sip.anac.gov.br

Password: primeira senha **21062207**

This is a close-up of the login form from the previous screenshot. It shows the "Login" section with the "User Id" field containing "113001@sip.anac.gov.br" and the "Password" field containing "*****". The "Login", "Clear", and "Reset Password" buttons are visible below the fields. At the bottom of the form, there is a note: "Supported Browsers: Internet Explorer 11.x or Firefox (minimum version 65.0)".

3- Preencher as informações para a troca de senha

The screenshot shows a web browser window with the URL <https://spvdf1031.anac.gov.br/selfprovisioning/ProvisioningControllerServlet>. The Avaya logo is visible in the top left corner. The main content area is titled "Password Change for Communication Profile". It contains the following fields and controls:

- Profile Type:** A dropdown menu with "SIP" selected.
- Current Password:** A text input field containing "*****".
- New Password:** A text input field with the placeholder text "Enter New Password".
- Confirm New Password:** A text input field with the placeholder text "Confirm New Password".
- Buttons:** Two buttons labeled "Submit" and "Clear" are located at the bottom of the form.
